Extract of relevant paragraph from Letter from Mr Timothy Walker at the AADB dated 5 May 2011

Lastly, I have been passed a copy of your email to Sarah Hogg of 27 April 2011 which refers to Mr Senior Milne. I can confirm the AADB is not in correspondence with Mr Senior Milne. If the AADB decides to commence an investigation into any particular matter, it will publish the fact of its decision to investigate, unless it considers it would not be in the public interest to do so. It should not be inferred from this that the AADB has made a decision one way or the other in relation to any of the matters referred to in your email.

Yours sincerely,

Timothy Walker Chairman
